## CASAL DOS JORDÕES

Represents the JORDÃO family tradition of production of generous wines of high quality. All our vineyards are located in the river TORTO valley, with the rigorous selection of the best grape varieties of the DOURO region to create excellent wines. The predominant varieties are the Touriga Franca, Tinta Roriz, Tinta Barroca, Touriga Nacional and Tinto Cão. Before serving, let the bottle stand upright for a few hours and then decant if carefully, because the wine is a natural product without fining or filtration. Wine made from organic grapes - Control Ecocert - Portugal.PT / AB 02
