OWN VINEYARDS - UNIQUE EMOTIONS

Is tradition of JORDAO family, since 1870 to produce wines of high quality. All our vineyards are located in the River Tortos valley with rigorous selection of the best grape varieties of DOURO Region to create excellent wines. Vintage made at hand. Grapes crush with the feet of man. Fermentation made in presses "lagares", system already utilized by Romans, technique that permit great extraction of colour and long tanins. To be served between 16 a 18° C. This wine has not been fined, stabilised or filtered. So, it's possible that will through a natural deposit. Wine made from organic grapes. Control Ecocert Portugal PT/AB 02.
